PCI COMPLIANT PAYMENTS

Take the Hassle out of Taking Payments with PCI Compliant Platforms from C3.

Whether you are a Tier 1 Merchant or a Tier 4 merchant, C3's PCI DSS solutions enable organisations of all shapes and sizes to offer secure, automated and cost-effective payment options to their clients.

With over 20 years' experience in handing payments, C3 can help your organisation accept PCI DSS compliant payments via telephone, SMS & online. Our technology allows clients to reduce the scope of their PCI compliance, minimising associated costs without sacrificing flexibility.
